- Defective Merchandise (in Warranty):** Within the warranty period, products will be repaired, replaced, or credit issued at Empire's option. Please retain proof of purchase date. The warranty does not cover malfunctions resulting from misuse, tampering, unauthorized repairs, modifications or accidents, nor does it cover normal wear. This warranty gives you specific rights and you may also have rights which vary from state to state. Defective merchandise that is in warranty may be returned for credit or replacement. Credits will be issued at prices in effect at the time that merchandise is received at an Empire warehouse. Please fax or call for a return authorization (RA) number. **All cartons must have a return authorization number marked on the outside of the box. Unmarked boxes will be refused.**
- Returns/Refusals:** All returns and refused orders are subject to a 15% restocking fee.
- Empire Stock Rotation:** 100% exchange program on all *current Empire products purchased during the last twelve months*, and in good salable condition. Please fax or call for a return authorization (RA) number. **All cartons must have a return authorization number marked on the outside of the box. Unmarked cartons will be refused.**
- Recycle Batteries:** Empire will accept **from its current customers** all batteries of any chemistry that are delivered, freight prepaid, to Deer Park, NY. Empire has established Nickel Metal Hydride, Lithium Ion, NiCad and Lead Acid battery recycle programs with its major suppliers. Empire will recycle all batteries even though Empire is not the manufacturer.

Guaranteed To Perform

Empire Scientific is a leading supplier of batteries, chargers, and accessories to retailers, wholesalers, distributors, and manufacturers in the cellular, video, and cordless telephone segments of the consumer electronics industry. We offer the most comprehensive and up to date product mix of inventory found under one roof. We also offer a full line of industrial grade Sealed Lead Acid batteries called Rhino. We offer product under our flagship brand name Empire as well as private label and bulk packaging. We also have short and long run production capabilities for custom assembly work of items that are not currently on our product list. A service that some of the most recognized companies in the world use.

EMPIRE SCIENTIFIC, with manufacturing headquarters in Deer Park, New York, has a proud forty year tradition in the consumer electronics industry.

In its colorful past, Empire was known for producing high quality turntables, cartridges, and high fidelity loudspeakers, recognized by audiophiles for their outstanding performance.

Empire first offered batteries and accessories for camcorders in the early 1980's, and has since expanded to offer quality replacement batteries and accessories for cellular phones, cordless phones and replacement lead acid batteries for uninterruptible power supply (UPS) and security applications along with two-way, medical and laptop batteries.

KNOWLEDGEABLE STAFF

Our courteous and helpful staff is equipped to provide answers to your questions regarding all of the product lines we offer. We at Empire Scientific know the importance of top of the line customer care and will do whatever is necessary to provide that to our customers.

NEW PRODUCTS

Empire Scientific has just added replacement batteries for Streamlight, Maglite, Surefire, Inova and more. Also added, to our Video/Digital product line, are Universal Two-Sided Replacement Video/Digital Chargers, nine brand-specific chargers for Lithium Ion batteries. Our latest products are our patented Piggy-Back battery series for the new Sony, JVC, and Panasonic smart chip camcorders. We offer a complete line of product listings and will continue to keep up with the ever-growing markets.

DISTRIBUTION CENTERS

In addition to the manufacturing and corporate office located in Deer Park, NY, Empire Scientific also has distribution warehouses in Illinois and Florida.

MISSION STATEMENT

To provide top of the line customer care along with quality products at competitive pricing. To raise the bar of excellence we must pay attention to detail, if it's not right it's wrong and everything must have a sense of urgency. We believe and follow these guidelines to assure that our customers receive the most accurate information to help them succeed in the battery industry.
