USB-RC1139	Apple, iPod, Empire 1139 Series

For exact cross reference see previous page-Each clam will have full cross reference information on reverse. Not for data transfer.

*This connector is not included in the USB-CK1 kit.

EMPIRE[®]

GUARANTEED TO PERFORM

EMPIRE SCIENTIFIC is a leading supplier of batteries, chargers, and accessories to retailers, wholesalers, distributors, and manufacturers in the cellular, video, and cordless telephone segments of the consumer electronics industry. We offer the most comprehensive and up to date product mix of inventory found under one roof. We also offer a full line of industrial grade Sealed Lead Acid batteries called RHINO. We offer product under our flagship brand name EMPIRE as well as private label and bulk packaging. We also have short and long run production capabilities for custom assembly work of items that are not currently on our product list. This is a service that some of the most recognized companies in the world use.

EMPIRE, with manufacturing headquarters in Deer Park, New York, has a proud forty year tradition in the consumer electronics industry. In its colorful past, Empire was known for producing high quality turntables, cartridges, and high fidelity loudspeakers, recognized by audiophiles for their outstanding performance.

We first offered batteries and accessories for camcorders in the early 1980's, and have since expanded to offer quality replacement batteries and accessories for cellular phones, cordless phones and replacement lead acid batteries for uninterruptible power supply (UPS) and security applications along with two-way, medical and laptop batteries.

KNOWLEDGEABLE STAFF

Our courteous and helpful staff is equipped to provide answers to your questions regarding all of the product lines we offer. We at Empire Scientific know the importance of top of the line customer care and will do whatever is necessary to provide that to our customers.

NEW PRODUCTS

EMPIRE SCIENTIFIC has just recently added replacement batteries for Streamlight[®], Maglite[®], Surefire[®], Inova[®] and more. We offer a complete line of both product listings and will continue to add to keep up with the ever growing markets. Also added to our Video/Digital product line are Universal Two-Sided Replacement Video/Digital Chargers, nine brand-specific chargers for Lithium Ion batteries. Most recently we added our new patented Piggy-Back battery series for new Sony, JVC, and Panasonic smart chip camcorders.

DISTRIBUTION CENTERS

In addition to the manufacturing and corporate office located in Deer Park, NY, EMPIRE SCIENTIFIC also has distribution warehouses in Illinois and Florida.

MISSION STATEMENT

To provide top of the line customer care along with quality products at competitive pricing. To raise the bar of excellence we must pay attention to detail, if it's not right it's wrong and everything must have a sense of urgency. We believe and follow these guidelines to assure that our customers receive the most accurate information to help them succeed in the battery industry.
