**Defective****Merchandise****(in Warranty):**

Within the warranty period, products will be repaired, replaced, or credit issued at Empire's option. Please retain proof of purchase date. The warranty does not cover malfunctions resulting from misuse, tampering, unauthorized repairs, modifications or accidents, nor does it cover normal wear. This warranty gives you specific rights and you may also have rights which vary from state to state. Defective merchandise that is in warranty may be returned for credit or replacement. Credits will be issued at prices in effect at the time that merchandise is received at an Empire warehouse. Please fax or call for a return authorization (RA) number. **All cartons must have a return authorization number marked on the outside of the box. Unmarked boxes will be refused.**

**Return Policy:**

All returns and refused orders are subject to a 15% restocking fee. Return/Exchange will only be granted if all components are returned as supplied by Empire. Please be sure all components are returned as shipped. Empire reserves the right to deny credit or exchange at our discretion if all the product received does not meet this requirement.

**EMPIRE SCIENTIFIC** is a leading supplier of batteries, chargers, and accessories to retailers, wholesalers, distributors, and manufacturers in the cellular, video, and cordless telephone segments of the consumer electronics industry. We offer the most comprehensive and up to date product mix of inventory found under one roof. We also offer a full line of industrial grade Sealed Lead Acid batteries called Rhino. We offer product under our flagship brand name Empire as well as private label and bulk packaging. We also have short and long run production capabilities for custom assembly work of items that are not currently on our product list. A service that some of the most recognized companies in the world use. EMPIRE SCIENTIFIC, with manufacturing headquarters in Deer Park, New York, has a proud forty year tradition in the consumer electronics industry. In its colorful past, Empire was known for producing high quality turntables, cartridges, and high fidelity loudspeakers, recognized by audiophiles for their outstanding performance.

Empire first offered batteries and accessories for camcorders in the early 1980's, and has since expanded to offer quality replacement batteries and accessories for cellular phones, cordless phones and replacement lead acid batteries for uninterruptible power supply (UPS) and security applications along with two-way, medical and laptop batteries.
